

# Dear Guests

**BEFORE USING THE TREATMENTS, PLEASE READ THE CONTRAINDICATIONS.**

For your convenience, we recommend that you book treatments in advance, only then we can guarantee the possibility of performing the treatment.

Cost-free cancellation of treatments is possible at the latest one day before they are performed. When cancelling the treatment on the planned day of its completion, half of the treatment price will be added to the bill.

If a Guest is late, the treatment will be shortened (if there is a possibility of shortening the treatment) or cancelled and its price will remain unchanged. This will enable the next Guests to start their treatments on time.

For safety reasons, we reserve the right to refuse the treatment to guests under the influence of alcohol. In case of individual treatments, half of the treatment price will be added to the bill. In case of package treatments, vouchers and invitations, the treatment will not be deducted from the final amount of stay. Treatments will not be transferred to another day

**HOTEL MANAGER NEW SKI\*\*\* SPA**

## Firming- lifting package 579,-

- **Cupping massage (thighs, abdomen, buttocks).** The vacuum created in the cup causes suction of the skin, stimulating blood circulation and bodily fluids flow. The massage helps eliminate excess metabolic waste products and toxins from the body. It has invaluable power in anti-cellulite treatments. | 25 min
- **Facial massage with warm stones based on jojoba oil,** which prevents water loss from the epidermis and has nourishing, emollient, and softening properties. Jojoba is recommended for various skin types, including acne-prone skin. The oil effectively reduces sebum production and limits keratinization. | 25 min
- **Body Wrapping Ritual** – a ritual aimed at burning fat tissue and firming the skin. The wrap has moisturizing and anti-cellulite effects. It improves skin elasticity, giving it smoothness and long-lasting hydration. | 60 min

## Relaxation package 479,-

- **Aromatic candle massage:** A deeply relaxing massage performed using an aromatic candle, whose wax transforms into a warm and sensual massage oil. | 60 min
- **Hand SPA – nourishing treatment for the hands:** The treatment includes a scrub and the application of regenerating and moisturizing products on the skin of the hands (scrub, mask, warm paraffin, gloves). | 25 min
- **Nourishing and moisturizing brine bath with collagen and sea minerals** – The salt used is sourced from the Bochnia salt deposits, rich in beneficial minerals for health such as calcium, magnesium, zinc, iodine, and potassium. Additionally, the salt bath soothes the respiratory tract. It allows breathing in iodine-rich sea air, providing relaxation and relief. The addition of natural, highest quality collagen moisturizes, smooths, and firms the skin. | 25 min

## Moisturizing package 529 ,-

- **Body scrub with the sensual scent of black orchid** – the scrub cleanses, smooths, and prepares the skin to absorb active ingredients. | 30 min
- **Aromatherapeutic full-body massage with Moroccan argan oil and 24-carat gold.** The Moroccan oil with 24-carat gold combines the nourishing properties of argan oil with the illuminating effect of gold particles. Argan oil, known as the "liquid gold of Morocco," is rich in vitamins, antioxidants, and unsaturated fatty acids that deeply moisturize, nourish, and regenerate the skin. The gold particles add radiance to the skin, have anti-aging effects, and stimulate cell regeneration. | 60 min
- **Nourishing face and décolleté massage based on a creamy pumpkin mask** – an extremely relaxing facial massage using Organique's active ingredient formula. | 20 min
